VERSE 1:

Am7 **Dm7** **Fmaj7/A**
My soul was swayed by violins and trees.

Am7 **Dm7** **Fmaj7/A**
I was sick for dark as the wind sank through the breeze.

Am7 **Dm7** **Fmaj7/A**
Here s the pagentry and heres the carnival

Am7 **Dm7** **Fmaj7/A**
As the start of dusk creeps upon us all.

CHORUS:

C **Em7**
And I will know you by how your body speaks to me

Fmaj7 **Bb7**
as we wander the night singing to the streets.

C **Em7**
And I will know you by how you live for all your dreams.

Fmaj7 **Bb7**
You re unforgettable, you re unforgettable.

VERSE 2:

Am7 Dm7 Fmaj7/A
 Faint footsteps like a thousand overtures.
 Am7 Dm7 Fmaj7/A
 The lure of friendly eyes, the voices of the night.

 We ll drift like summer sounds on the summer air,
 Am7 Dm7 Fmaj7/A (break!)
 whisper like violins while waiting for you there.

 You re unforgettable, you re unforgettable.
