On the way

On the way home
Am **G** **F**
I saw a rainbow beneath my feet
Am **G** **F**
flowing over the filthy street.
C
Oh yeah

C
Itâ€™s a long

Itâ€™s a long way
Am **G** **F**
Back to the place where we used to sit
Am **G** **F**
When you and I were just little kids.

F **Am** **G** **F**
The time we had is not gone.
Am **G** **F**
The way we chose was the long one.
Am **G** **F** **C**
The time we had is not gone.

C
The stone that fell is still falling.
Am **G** **F**
So let that stone be the wondrous thing
Am **G** **F**
that comes to pass when our voices sing.
C
Oh yeah.

C
On the way

on the way home

Am **F** **G**
I heard some ghosts laughing in the trees,
Am **G** **F**
moving inside the midnight breeze.

F **Am** **G** **F**
The time we had is not gone.
Am **G** **F**
The way we chose was the long one.
Am **G** **F** **C**
The time we had is not gone.

Dm **G**
Way out here
Dm **G** **Am** **F**
the voice and the mind are clear

F **Am** **G** **F**
The time we had is not gone.
Am **G** **F**
The way we chose was the long one.
Am **G** **F** **C**
The time we had is not gone.

(End on **C**)
