Motorhomes - Into The Night

Am **G** **Dm** **C**
Into the night, we're alright
Am **G** **Dm**
Into the pale moonlight
G **F**
Nothing could go wrong
Am **G** **Dm** **C**
When you're alone, carry on
Am **G** **Dm**
Pull out the nails from your bones

G **Dm**
Keep on, keepin on
Dm **Am** **G**
You've got nothing to fear
Dm **Am** **G**
Promise you will be there

G **F**
Nothing will go wrong

Don't chase the beat of your heart
Don't let yourself fall apart
Nothing could go wrong
You've got nothing to fear
Promise you will be there
Nothing will go wrong
