The Mountain Goats

[Intro] (x3)

[Verse]

A **Bm**
Some things you do just to see
D **A Asus2**
how bad they ll make you feel.
A **Bm**
Sometimes you try to freeze time
D **A** **Asus2**
til those thoughts are a blur of spinning wheels.
A **Bm**
But I am just a broken machine,
F#m **D** **E**
and I do things that I don t really mean.

[Chorus]

A
Long black night,
C#m
Morning frost.
F#m
I m still here,
D
But all is lost.

[Instrumental]

A Asus2

[Verse]

A **Bm**
Speed up to the precipice,
D **A Asus2**
And then slam on the brakes.
A **Bm**
Some people crash two or three times,
D **A Asus2**
And then learn from their mistakes.
A **Bm**
But we are the ones who don t slow down at all,
F#m **D** **E**
And there s nobody there to catch us when we fall.
