**Capo 3rd fret

G

F
Brave young cowboys
Em
of the near north side
C
mount those bridge rails
G
ride all night
F
scream when captured
Em
arch your back
G **D/F#** **C**
let this whole town hear your knuckles crack

G

F
Sapphire trans am
Em
high beams in vain
C
drive like broncos
G
down the plain
F
push up to the corner
Em
where the turbines hiss
G **D/F#** **C**
someday we won t remember this

G
crawl till dawn
D/F# **C**

on my hand and knees

G

God damn these vampires

D/F#

C/Cmaj7/C/Cmaj7

C/Cmaj7/C/Cmaj7/C

for what they've done to me

G

F

Tie those horses

Em

to the post outside

C

and let those glass doors

G

open wide

F

and in their surface

Em

see two young savage things

G

D/F#

C

barely worth remembering

G

F

feast like pagans

Em

never get enough

C

sleep like dead men

G

wake up like dead men

F

and when the sun comes

Em

try not to hate the light

G

D/F#

C

some day we'll try to walk upright

G

crawl till dawn

D/F#

C

on my hand and knees

G

god damn these bite marks

D/F#

C/Cmaj7/C/Cmaj7

C/Cmaj7/C/Cmaj7/C

deep in my arteries

G

crawl till dawn

D/F#

C

on my hand and knees

G

god damn these vampires

D/F#

C/Cmaj7/C/Cmaj7

C/Cmaj7/C/Cmaj7/C

for what they ve done to me
