The Mountain Goats

I m 100% sure these are the right chords to this song. Very straightforward.
Cool lyrics.

G#m **F#**
Crude little wooden idols and aviator shades
E **B** **F#**
The trinkets and the treasures we brought back from the crusades
G#m **F#**
Some guy in an Impala shakes his head when he rides by
E **B** **F#**
But I remember when we shared a vision, you and I

| **E** | **G#m** | X2

G#m **F#**
Worked hard to build this altar we made it earn its keep
E **B** **F#**
The cracks across its surface spiderweb while we re asleep
G#m **F#**
The sacrificial stains all spread out and soaking through
E **B** **F#**
But I remember when we kept it pretty, me and you

E **G#m**
And high above the water
E **G#m**
the eagle spots the fish
G#m **F#** **E** **F#** **G#m**
Every martyr in this jungle is gonna get his wish

G#m **F#**
Stockshots, stupid stockshots from the Pamona mall
E **B** **F#**
Set up like unloved icons gathering dust up on the wall
G#m **F#**
From films no one remembers they call down silently
E **B** **F#**
But I remember when their names were dear to you and me

| **B** | **F#** | **A** | **G** |
