

Last Man On Earth  
The Mountain Goats

Intro: G# Cm Bbm7 C# X2

G# Cm C# G#  
Just when the last of the smoke subsides you ll see my fingers  
G# Cm Bbm7 Eb  
Hoisting my body up atop the charred debris  
G# Cm Fm Cm  
Who is that creature with the crazed look in his eyes?  
C# G#  
Don t even question your senses  
C# Eb  
You can be sure that s me  
Fm G#  
When all the pretenders to your hand  
C# Eb  
lie dead across the land,

G# Cm C# Eb  
I ll be the last man on earth  
G# Cm C# Eb  
I ll be the last man on earth  
G# Cm C# Eb  
I ll be the last man on earth  
G# Eb G#  
Crawling around, down on the ground

G# Cm C# G#  
When the Hail Marys you ve been saying lose their savor  
G# Cm Bbm7 Eb  
Just when your dungeon walls feel like they re closing in  
G# Cm Fm Cm  
Whose are those bloody knuckles reaching down to grab you  
C# G# C# Eb  
Just as the last of the light overhead is growing dim?  
Fm G#  
It was their love you wanted, not mine  
C# Eb  
But when they deny your name three times

G# Cm C# Eb  
I ll be the last man on earth  
G# Cm C# Eb  
I ll be the last man on earth  
G# Cm C# Eb  
I ll be the last man on earth  
G# Eb G#

Crawling around, down on the ground

**Fm**                    **Eb**                                    **G#**  
And I will throw you across my shoulders

**Fm**                    **Eb**                                    **G#**  
And I will bleed and I will drool

**Fm**                    **Eb**                                    **C#**                                    **G#**  
And the cameras will slow pan across my face

**Fm**                    **F#**                                    **Eb**  
And I will try to say something cool

**G#**                                    **Cm**                                    **C#**                                    **G#**  
Just as the hoardes of thirsting demons close around us

**G#**                                    **Cm**                                    **Bbm7**                                    **Eb**  
Raising their axes, howling like monkeys in the sun

**G#**                                    **Cm**                                    **Fm**                                    **Cm**  
Who will that guy be holding you so high above them?

**C#**                                    **G#**                                    **C#**                                    **Eb**  
You know and I know, everyone knows it, I m the one

**Fm**                                    **G#**  
I may have failed you once before

**C#**                                    **Eb**  
But this right here, this means war

**G#**    **Cm**                    **C#**                                    **Eb**  
I ll be the last man on earth

**G#**    **Cm**                    **C#**                                    **Eb**  
I ll be the last man on earth

**G#**    **Cm**                    **C#**                                    **Eb**  
I ll be the last man on earth

**G#**    **Eb**                                    **G#**  
Crawling around, down on the ground
