

Monkey Song

The Mountain Goats

the monkey song from the album philyra. this probably isn't perfect, but it sounds good.

B E B E

B **F#**
cool air falls through the venetian blind
E **E**
and the planets in the heavens are perfectly aligned

B **F#**
i take in my surroundings, i memorize them all
E **E**
the scuff marks on the stone floor, the powder burns on the eastern wall

B **C#min**
there's a monkey in the basement
E **E**
how did the monkey get there

B **C#min**
there's a monkey in the basement

E **F#**
where did the monkey come from
E
where did the monkey come from
C#min
where did the monkey come from

B E B E

B **F#**
the animal noises you used to make
E **E**
the andalusian coral snake
B **F#**
all pale when standing beside this room
E **C#min**
and the heavy hot rains and the sonic boom

B **C#min**
there's a monkey in the basement
E **E**
where did the monkey come from

B **C#min**
there's a monkey in the basement

E **F#min**
how did the monkey get there
E
how did the monkey get there
C#min

how did the monkey get there
