## Old College Try The Mountain Goats

[Intro] G Bm C D C G Em C D

G Bm

From the housetops to the gutters

C D C

From the oceans to the shores

G Em

The warning signs have all been bright and garish

C D

Far to great in number to ignore

Bm.

From the cities to the swamplands

C D C

From the highways to the hills

; :

Our love has never had a leg to stand on

C D

From the aspirins to the cross-tops to the Elevils

C D G C

But I will walk down to the end with you

G D G

If you will come all the way down with me

G Bm

From the entrance to the exit

C D C

Is longer than it looks from where we stand

G Em

I wanna say I m sorry for stuff I haven t done yet

C

Things will shortly get completely out of hand

G Bm

I can feel it in the rotten air tonight

C

In the tips of my fingers in the skin on my face

G Em

In the weak last gasp of the evening s dying light

C

In the way those eyes I ve always loved illuminate this place

C

Like a trashcan fire in a prison cell

G E

Like the searchlights in the parking lots of hell

G C
I will walk down to the end with you
G D G
If you will come all the way down with me

[Final] G Bm C D C
