

**The Monkey Song**  
**The Mountain Goats**

Chords:

**C** - 032010  
**G** - 320003  
**Am** - 002210  
**F** - 033210

INTRO:

```
e--0--0----0---0---0-----0--1---0---0---0-----|
B--1--1----0h1-0h1-0h1----1--1---0h1-0h1-0h1---|
G--0--0-----0--2--2-----0-|
D--2--2-----3--3-----| (x2)
A--3--3-----3--3-----|
E--x--x-----x--x-----|
```

**C** **G**  
Cool air falls through the venetian blinds  
**Am** **F**  
And the planets in the heavens are perfectly aligned  
**C**  
I take in my surroundings  
**G**  
I memorize them all  
**Am**  
The scuff marks on the stone floor,  
**F**  
The powder burns on the eastern wall

**C** **G**  
There s a monkey in the basement  
**Am** **F** (repeat second part of the intro)  
How did the monkey get there?  
**C** **G**  
There s a monkey in the basement  
**Am** **F**  
Where did the monkey come from?  
**C**  
Where did the monkey come from?  
**G**  
Where did the monkey come from?

(Replay the full intro)

**C** **G**  
The animal noises you used to make

**Am**                      **F**  
The andalusian coral snake  
**C**                                      **G**  
All hail when standing beside this room  
            **Am**                                      **F**  
And the heavy hot rains and the sonic boom

**C**                                      **G**  
There s a monkey in the basement  
**Am**                                      **F**      (repeat second part of intro)  
Where did the monkey come from?  
**C**                                      **G**  
There s a monkey in the basement  
**Am**                                      **F**  
How did the monkey get there?  
                                    **C**  
How did the monkey get there?  
                                    **G**  
How did the monkey get there?

(Replay intro)
