the rain fell all night
Bb
and it kept me awake
F
it was still falling by morning.
Bb
it was hard to take.
C
and you were sleeping on the floor,
Bb
breathing free and even,
F
if i ever want to drive myself insane,
Bb **C**
all i have to do is watch you breathing
F
and at 5 AM,
Bb
i turned the radio on,
F
and an old mans voice
Bb **C**
sang a short sweet song,
F
and then the static roared again
Bb
hungry for blood
F
i heard the rain falling from the rain spout
Bb

down down into the sweet wet mud,

C

and you punched out all the windows

Bb

and the wind began to wail

F

and you gathered your hair behind your head

Bb

C

like god was gonna catch you by the pony tail,

F

and then the old voice crackled through the
static.

Bb

and i felt young and alive

F

and the hair stood up on the back of my neck

Bb

C

we were rising from the grave, yeah yeah.
