the rain fell all night
B
and it kept me awake
F#
it was still falling by morning.
B
it was hard to take.
C#
and you were sleeping on the floor,
B
breathing free and even,
F#
if i ever want to drive myself insane,
B **C#**
all i have to do is watch you breathing
F#
and at 5 AM,
B
i turned the radio on,
F#
and an old mans voice
B **C#**
sang a short sweet song,
F#
and then the static roared again
B
hungry for blood
F#
i heard the rain falling from the rain spout
B

down down into the sweet wet mud,

C#

and you punched out all the windows

B

and the wind began to wail

F#

and you gathered your hair behind your head

B

C#

like god was gonna catch you by the pony tail,

F#

and then the old voice crackled through the
static.

B

and i felt young and alive

F#

and the hair stood up on the back of my neck

B

C#

we were rising from the grave, yeah yeah.
