the rain fell all night
G#
and it kept me awake
Eb
it was still falling by morning.
G#
it was hard to take.
Bb
and you were sleeping on the floor,
G#
breathing free and even,
Eb
if i ever want to drive myself insane,
G# **Bb**
all i have to do is watch you breathing
Eb
and at 5 AM,
G#
i turned the radio on,
Eb
and an old mans voice
G# **Bb**
sang a short sweet song,
Eb
and then the static roared again
G#
hungry for blood
Eb
i heard the rain falling from the rain spout
G#

down down into the sweet wet mud,

Bb

and you punched out all the windows

G#

and the wind began to wail

Eb

and you gathered your hair behind your head

G#

Bb

like god was gonna catch you by the pony tail,

Eb

and then the old voice crackled through the
static.

G#

and i felt young and alive

Eb

and the hair stood up on the back of my neck

G#

Bb

we were rising from the grave, yeah yeah.
