the rain fell all night
A
and it kept me awake
E
it was still falling by morning.
A
it was hard to take.
B
and you were sleeping on the floor,
A
breathing free and even,
E
if i ever want to drive myself insane,
A **B**
all i have to do is watch you breathing
E
and at 5 AM,
A
i turned the radio on,
E
and an old mans voice
A **B**
sang a short sweet song,
E
and then the static roared again
A
hungry for blood
E
i heard the rain falling from the rain spout
A

down down into the sweet wet mud,

B

and you punched out all the windows

A

and the wind began to wail

E

and you gathered your hair behind your head

A

B

like god was gonna catch you by the pony tail,

E

and then the old voice crackled through the
static.

A

and i felt young and alive

E

and the hair stood up on the back of my neck

A

B

we were rising from the grave, yeah yeah.
