the rain fell all night
C
and it kept me awake
G
it was still falling by morning.
C
it was hard to take.
D
and you were sleeping on the floor,
C
breathing free and even,
G
if i ever want to drive myself insane,
C **D**
all i have to do is watch you breathing
G
and at 5 AM,
C
i turned the radio on,
G
and an old mans voice
C **D**
sang a short sweet song,
G
and then the static roared again
C
hungry for blood
G
i heard the rain falling from the rain spout
C

down down into the sweet wet mud,

D

and you punched out all the windows

C

and the wind began to wail

G

and you gathered your hair behind your head

C

D

like god was gonna catch you by the pony tail,

G

and then the old voice crackled through the static.

C

and i felt young and alive

G

and the hair stood up on the back of my neck

C

D

we were rising from the grave, yeah yeah.
