

Woke Up New
The Mountain Goats

Capo on 4th fret

All chords relative to capo

I did not tab this, only transposed it from the other tab on this site. This way
is easier to play if you got a capo :)

A **D** **A** **D**
On the morning when I woke up without you for the first time
 A **E** **A**
I felt free and I felt lonely and I felt scared

A **D** **A** **D**
And I began to talk to myself almost immediately
 A **E** **D** **E**
Not being used to being the only person there

A **D** **A** **D**
The first time I made coffee for just myself I made too much of it
 A **E** **D** **A**
But I drank it all just cause you hate it when I let things go to waste

A **D** **A** **D**
And I wandered through the house like a little boy lost at the mall
 A **E** **D** **E**
And an astronaut could have seen the hunger in my eyes from space

A **E** **D** **A**
And I sang, oh, what do I do? What do I do? What do I do?
 E **A**
What do I do without you?

A **D** **A** **D**
On the morning I when I woke up without you for the first time
 A **E** **D** **A**
I was cold, so I put on a sweater and I turned up the heat

A **D** **A** **D**
And the walls began to close in and I felt so sad and frightened
 A **E** **D** **A**
I practically ran from the living room out into the street

A **D** **A** **D**
And the wind began to blow and all the trees began to bend

A E A

And the world in its cold way started coming alive

A D A D

And I stood there like a businessman waiting for a train

A E A

And I got ready for the future to arrive

A E D A

And I sang, oh, what do I do? What do I do? What do I do?

E A

What do I do without you?

A D A D A E A
