

Flowers In The Rain
The Move

WE GO ROUND THE LEMON TREE as the B side on September 1967.
It hit number 2 on the UK chart.

Tabbed by:PJVillanueva

Woke up one morning half asleep
With all my blankets in a heap
And yellow roses scattered all around
The time was still approaching
For I couldn t stand it anymore
Some marigolds upon my eiderdown

*

I m just sitting watching flowers in the rain
Feel the power of the rain making the garden grow
I m just sitting watching flowers in the rain
Feel the power of the rain keeping me good

So I lay upon my side
With all the windows open wide
Couldn t pressurize my head from speaking
Hoping not to make a sound
I pushed my bed into the grounds
In time to catch the sight that I was seeking

*

If this perfect pleasure has to be
Then this is paradise to me
If my pillow s getting wet
I can t see that it matters much to me

I heard the flowers in the breeze
Make conversation with the trees
Relieved to leave reality behind me
With my commitments in a mess
My sleep is gone away need rest

In a world of fantasy you ll find me

*

Watching flowers in the rain
Flower in the rain
Power flowers in the rain
Flower power in the rain
