Tuning: Standard EADGBe

Simple, 3 chord reggae. It s just D A G the entire song.

I prefer to play the chords this way:

```
      D   A   G
e|-x--5--3-|
B|-7--5--3-|
G|-7--6--4-|
D|-7--7--5-|
A|-5--x--x-|
E|-x--x--x-|
```

But any voicing will sound fine.
