C# -   x46664
Fm -   133111
Eb/G - 365xxx
Gm -   355333
C# -   x46644
G#/**C** - x365xx

Intro: Fm-Eb/G-G#-Gm-Fm-Eb/G-G#--Eb--C#(hold)

Verse 1:
G#
  I understand that you couldn t
C#   **Eb**
take it couldn t take it anymore
G#
  I understand that you
         C#
had your problems
       Eb
maybe more than I saw
G#
  But when you got
                 C#
on a plane that day
You lost all your
Eb   **G#**
privileges with me
Cause I heard so many things
         C#
Thought we parted
           Eb
thought we parted peacefully

```
Refrain 1:
Fm        G#
   Then you got home
  Eb
opened your mouth and
C#                   G#/C   Fm
said all those stupid things
          G#
You even mouthed off to my
Eb                        C# G#/C
friends That s why I m sa-ying

Chorus 1:
G#                Fm
   Come on come on
                Eb
shut up shut up
              C#
I hope this song
will shut you up
G#                Fm
   Come on come on
               Eb C#(hold)
shut up shut up

Verse 2:
G#                        C#
   I appreciate all the work that
         Eb
all the work that you put in
G#
   And we care so much
         C#
about you and hope that
Eb
all your problems end
G#
   But all the foolish
            C#
things you said
Do you know we
Eb             G#
never said a thing

We held it in so
                C#
go take your medicine
        Eb
and smoke yourself to sleep
```

Refrain 2:

Fm   **G#**
  Cause you got home
 Eb
opened your mouth and
C#   **G#**/**C** **Fm**
said all those stupid things
        G#
You even mouthed off to my
Eb   **C# G#**/**C**
friends That s why I m sa-ying

(Repeat Chorus 1)

Bridge:
Fm   **Eb/G**
  And all the things
          G#
I could say
    Gm   **Fm**
The ammunition the
Eb/G   **G#**   **Gm**
arsenal of words
Fm   **Eb/G**
  And it s been so long
   G#ᅠGm
now   all the questions
Fm   **Eb/G**
  And out of respect
G#ᅠᅠC#
  I kept my mouth shut!

Chorus 2:
G#(hold)
  Come on come on
            Eb
shut up shut up
          C#
I hope this song
    G#/**C**
will shut you up
G#   **Fm**
  Come on come on
            Eb C# G#/**C**
shut up shut up
G#   **Fm**
  Come on come on
            Eb
shut up shut up
          C#

Or I ll get Phil
   G#/C
to shut you up
G#   **Fm**
  Come on come on
           Eb C# G#/C G#(hold)
shut up shut up
