

**Even Hitler Had A Girlfriend  
The Mr. T Experience**

A friend of mine showed me how to play this song, so I tabbed it out for reference. Not sure if it is 100% accurate but it sounds right to me. My friend puts a capo on the second fret but I think it sounds fine without one.

INTRO

**D**

VERSE

**D**

I still haven t found a girlfriend

**G** **A**

though I ve tried a lot

**D**

So can you help me please

**G** **A**

it s tougher than I thought

**G** **A**

The odds are pretty good but

**D** **G**

the goods are pretty odd

**A**

still at this point I d take anything you ve got.

**D**

You see this all the time

**G** **A**

nice girls in love with jerks

**D**

What could they be thinking

**G** **A**

Tell me how it works

**G** **A**

If I ve got some problems well I

**D** **G**

wouldn t be the first

**A**

but the ones I have in mind are even worse

CHORUS

**G A D** **G**

Even Hilter had a girlfriend

**D** **A**

Who he could always call

**D**  
Who d always be there for him

**G** **A**  
In spite of all his faults

**D** **A**  
He was the worst guy ever

**D** **G**  
reviled and despised

**D** **A**  
Even Hilter had a girlfriend so why can t I  
(short pause) **G**  
Why can t I?

VERSE

**D**  
Life is full of contradictions

**G** **A**  
Hard to understand

**D**  
And for every happy woman

**G** **A**  
There s a lonely man

**G** **A**  
Nixon had his puppy

**D** **G**  
Charles Manson had his clan

**A**  
But god forbid that I get a girlfriend

CHORUS

**G A D** **G**  
Even Hilter had a girlfriend

**D** **A**  
Who he could call his own

**D**  
to sweeten days of bitterness

**G** **A**  
and feeling all alone

**D** **A**  
I m not as bad as Hilter but it

**D** **G**  
doesn t mean a thing since

**D** **A**  
they d rather be with Hitler more than me

**G** **D**  
I don t see why they d rather be with

**A** **G D**  
Hitler more than me
