I m Going To Go Back There Someday

**\*\*UPDATED\*\***

**G**                    **D7sus**    **G**                    **A**  
This looks familiar, vaguely familiar,  
**G**                    **D7sus**    **D/F#**    **Em**                    **Em7** **A**  
Almost unreal, yet, it s too soon to feel yet.  
**C**                    **D**                    **D/F#** **Bm7**                    **E7sus**    **E**  
Close to my soul, and yet so far away.  
                  **Am7**                    **C/D**                    **D**    **G**    **C/D** **D7**  
I m going to go back there someday

**G**                    **D7sus**                    **G**                    **A**  
Sun rises, night falls, sometimes the sky calls.  
**G**                    **D7sus**                    **D/F#** **Em**    **Em7** **A**  
Is that a song there, and do I belong there?  
**C**                    **D**                    **D7** **Bm7**                    **E7sus**    **E**  
I ve never been there, but I know the way.  
                  **Am7**                    **C/D**                    **D**    **G**  
I m going to go back there someday.

**Em7**                    **G/A** **A**                    **D**  
Come and go with me, it s more fun to share,  
                  **Em7**                    **G/A**    **A**                    **D**  
We ll both be completely at home in midair.  
                  **G#m7**                    **B**    **C#** **C#7**    **F#m**                    **F#m/E**  
We re flyin , not walkin , on featherless wings.  
                  **D**                    **E/D** **Am/C**                    **Am7** **D/A** **Am7**    **C/D**    **D**  
We can hold onto love like invisible strings.

**G**                    **D7sus**                    **G**                    **A**  
There s not a word yet for old friends who ve just met.  
**G**                    **D7sus**                    **D/F#** **Em**                    **Em7** **A**  
Part heaven, part space, or have I found my place?  
**C**                    **D**                    **D7** **Bm7**                    **E7sus**    **E**  
You can just visit, but I plan to stay.  
                  **Am7**                    **C/D**                    **G**  
I m going to go back there someday.  
                  **Am7**                    **C/D**                    **D**    **G**  
I m going to go back there someday.
