

Pictures In My Head
The Muppets

A **F#m**
Is there more I could ve said
D **A** **E**
Now they re only pictures in my head
A **F#m**
that s why my green is feeling grey
D **E** **A**
sometimes even frogs have rainy days.

F#m **A**
Remember when the stage caved in
D **A**
while you were rocking out
F#m **A**
who d have thought your smorgasbord
D **E**
Would be hard to live without.

A **F#m**
If we could do it all again
D **A** **E**
just another chance to entertain
A **F#m**
would anybody watch or even care
D **E** **A**
or did something break we can t repair.

F#m **A**
Your cannonball trajectory
D **A**
it always gave me hope
F#m **A**
they have been unbearable,
D **E**
but I still loved your jokes

A **F#m**
is there more I could ve said
D **E** **A**
now they re only pictures in my head

A **F#m**
If we could do it all again
D **A** **E**
make them laugh like we did then?
A **F#m**
On the stage where we belong (Swedish Chef)

D **E** **A**
We could harmonise for one more song

A **F#m**
But I m standing here instead

D **E** **A**
now they re only pictures in my head
