And I count my fingers and itâ€™s still one away

Memories, promises, our secrets

Tomorrow  
Youâ€™ll be there  
I hope so  
So much babe  
I wish you  
In my dreams  
May be you  
Still love me

And I count my fingers and itâ€™s still one away  
And I count my fingers and itâ€™s still one away  
Memories, promises, our secrets
