Gm **Dm** **Eb** **Cm**
Girl, give me the key of the car, I go away
I dream, to rule the world to see the stars, to fell the stage
Girl, give me the key of the car, I go away
I dream want my feets and my hands on the boulevard

Chorus

Gm **Dm**
I can t wait anymore
 Eb **Cm**
I love you so, but I must go
Gm **Dm**
I m like a bird in a cage
 Eb **Cm**
My only thought is to escape

Girl I write you from a little town called L.A.
Here I found the way to the glory, I found the truth

Chorus

I m blinded by lights in my face
Every days every nights
Only lust in my life
I m on the top, I m on the roof

Girl, I don t know why, I m a bit down, I m a bit tired
Girl I don t know why nobody listen to my new songs

Chorus

It will be better next day,
next month or next year
I don t regret what s happening,
never regret, never regret

Break

Gm Dm Eb Dm Cm 4X

Girl, open the door of your home, I m comming back
I m tired of this world of pasteboard, of Jumping Jack

Chorus

Don t care about my broken dreams,
I m still in love, still loving you
Open the door please my dear,
Don t let me here, don t let me here
