[VERSE]

**D** **Bm**  
Oh darling I don t think this serenade  
**A** **Bm**  
is gonna carry through, is gonna carry through

You re screaming and you re fighting with your brain  
**A** **Bm**  
and the battling war drives you back and forth, driving you insane

[CHORUS]

**D** **Bm**  
You re crying, you re crying, you re crying  
**A** **Bm**  
Oh but the salt tastes so divine  
**D** **Bm**  
This love, this love, this love  
**A** **Bm**  
is what I want, is what I want.

**D Bm D Bm**

[VERSE] (same Chords)

It s been a while since she had spoke to you  
and she passed some words, but then you passed a fire  
memories flooding back into that part that you want to forget  
and you wanna kill, ohh and you wanna kill

[CHORUS] (same Chords)

You re crying, you re crying, you re crying  
oh but the salt tastes so divine  
This love, this love, this love,  
is what I want, is what I want.

You drank far too much wine  
**G** **A** **Bm**  
A dizzy spell to block out all the sunshine

**G** **A** **Bm** **A** **G**  
but it didn't do you justice for the crime of love

**G** **A** **D**  
no it didn't do you justice, it didn't do you justice all for her

**D** **Bm** **D** **Bm**

**D** **Bm** **D** **Bm**

**G** **A** **Bm** **G** **A** **Bm**  
Oh love listen to me, you got it hard but soon it will be easy

**G** **A** **Bm** **A** **G**  
The crime of love was tried but you did not succeed

**G** **A**  
no it didn't do you justice, it didn't do you any good

**G** **A** **D**  
it didn't do you justice, no it didn't do you justice all for her
