

We Are Leaving
The Naked And Famous

Capo 1, standard tuning

Intro: **Dm**

Dm

Cover up your shaky hands

Am

I hear that youâ€™re doing well

C

Back again for long this time?

G

Looks like they put you all through hell

Dm

But you seem to be coping fine

Am

Trust me the stress will pass with time

C

And youâ€™ll be back around again

G

Yes youâ€™ll be back again

F

I donâ€™t mean to make you curse

C

But it could have been much worse

G

And as far as I can tell

Dm

It seems that youâ€™re doing well

C

Chorus:

Cause I have been there once before

G

And all the dates they made me raw

Dm

Wait and weight, it's all the same

Am

Sinking underneath the waves

C

Hell it couldn't be much worse

G

Than diving in head first

F

And I don't mean to make you curse

C

But it could have been much worse

G

And as far as I can tell

Dm

It seems that you're doing well
