

**Wild**

**The Naked And Famous**

**A**

Donâ€™t let the sparks run dry

**D/E**

Try me to tell you why

**A**

Would it kill you to trust someone?

**D/E**

Who canâ€™t return in form

-Mini Chorus:

**A**

Yet it drives me

**D/E**

Wild to know

**A**

You wonâ€™t

**D/E**                    **G**

Let it sho-ow

**A**

Dearest, youâ€™re dear to me

**D/E**

I care a lot you see

**A**

Why donâ€™t you understand?

**D/E**

You were my only friend

(Repeat Mini Chorus)

**A**

Follow it up some more

**D/E**

Ev-en-tually Iâ€™m poor

**A**

Done like a heavy bag

**D/E**

Dragging your feet with pain

-Chorus:

**A**

Yet it drives me

**D/E**

Wild to know

**A**

You won't

**D/E** **G**

Let it show

**A5**

Yet I'm trying

**A** **E**

My best to hold

**A**

You when

**D/E** **G**

You're not so bold
