Everybodys Cried At Least Once
The Naked Brothers Band

Written by Nat Wolff

```
C                           G
Everybody s cried at least once.
                              F
Everybody s laughed at least twice.
    G           C
And over and over again.

                        G
Everybody s cried at least once.
                                F
Everybody s laughed at least twice.
    G           C
And over and over again.

Dm                      F    C      G
I don t want you to get involved, again.
Dm                  F             C      G
But I want you to join me in my quest, again.

F       C                   G
Conflict with my life, is the beginning.
F       C                   G
Conflict with my life, is the beginning.
F       C                 G
Conflict with my life, is the beginning.

C                           G
Everybody s cried at least once.
                                F
Everybody s laughed at least twice.
    G           C
And over and over again.

                        G
Everybody s cried at least once.
                                F
Everybody s laughed at least twice.
    G           C
And over and over again.

Dm                      F    C      G
I don t want you to get involved, again.
Dm                  F             C      G
But I want you to join me in my quest, again.
