

Face In The Hall

The Naked Brothers Band

Am **G** **Em** **D**

my love we dont got each other so id run for cover run for cover

Am **G** **Em** **D**

i feel better knowing its all over and im free to be who i wanna be

Am **G**

you make something just turn into nothing

Em **D**

thats what you do what you always do

Am **G**

just blending in i know its a sin

Em

but im forgetting you

D

forgetting you

BRIDGE :

C
you used to mean so much
D
but everything has changed
C
you had your chance now watch it fade away

CHORUS :

just a face in the hall Em C

you used to mean it all to me G D

just a face in the hall Em C

now its all gone youll see G D

then you go to the verse and then bridge chorus then a different bridge(sorry i havent figured that out yet) then bridge and chorus. PEACE! :)
