

Long Distance
The Naked Brothers Band

Intro: **F C Dm Bb** 2x

F **C** **Dm** **Bb**
i sing this song from the sky no matter if it s heaven or hell

F **C** **Dm** **Bb**
i know i love that girl but it wouldn t work that well

F **C** **Dm** **Bb**
i ve been sittin here all alone countin day after day

F **C**
i knew she wouldn t come home

Dm **Bb**
it is just that way

Chorus

D **C** **Bb**
cuz long distance relationships will kill you (x3)

D **C** **Bb**
Long distance Long distance Long distance

(same chords)

tonight i woke up a dream and i knew it was the end

it wouldn't let me cry baby or even let me bend

and i know i know i know-oh

that long distance relationships will kill you

long distance relationships will kill you

long distance relationships will kill you

long distance (x3)

D **C**
i didn't want to let you go but baby it was wrong and right

D **C**
i didn't want to cry or make stop your life whooooo

D **C**
i just wanted to hold you in my in my arms and tell you that it's all right

D **C** **D**
but i knew there be no chance

Break

the rest is just a Bb repetition like the chorus

long distance relationships will kill you (x3)

long distance (x3)

long distance relationships will kill you

thanks ;)
