

Demons

The National

Intro: **G D**

[Verse 1]

G

When I think of you in the city

D

The sight of you among the sites

G

I get this sudden sinking feeling

D

Of a man about to fly

Am

Never kept me up before

D

Now I ve been awake for days

Am

I can t fight it anymore

D

I m going through an awkward phase

G

I am secretly in love with

D

Everyone that I grew up with

G

Do my crying underwater

D

I can t get down any farther

Am

All my drowning friends can see

D

Now there is no running from it

Am

It s become the crux of me

D

I wish that I could rise above it

[Chorus]

G

But I stay down

D

With my demons

G

I stay down

D

With my demons

[Verse 2]

G

Passing buzzards in the sky

D

Alligators in the sewers

G

I don't even wonder why

D

Hide among the under views

Am

Huddle with them all night long

D

The worried talk to god goes on

Am

I sincerely tried to love her

D

Wish that I could rise above her

[Chorus]

G

But I stay down

D

With my demons

G

I stay down

D

With my demons

Am

I stay down

D

With my demons

Am

I stay down

D

With my demons

[Verse 3]

Em

Cannot stay here I can't sleep

D

On the floor

Em

Drink the blood and hang the palms

D

On the door

Em

D

Do not think I'm going places anymore

Em

D

Wanna see the sun come up above New York

Am

Oh, everyday I start so great

D

Then the sunlight dims

Am

Less I've learned

D

The more I see the pythons and the limbs

Am

Do not know what's wrong with me

D

Sours in the cup

Am

When I walk into a room

D

I do not light it up

F*ck

[Chorus]

Em

So I stay down

D

With my demons

Em

I stay down

D

With my demons

Am

I stay down

D

With my demons

Am

I stay down

D

With my demons
