## Mr November The National

[repeat]

If you just want to play and sing along, and not necessarily follow the artists every fret exactly, this should do the trick:

```
[Verse]
Bm
                        G
This is nothing like it was in my room
                 In my best clothes
Bm
               G
                                D
                      Trying to think of you
Bm
This is nothing like it was in my room
                 Α
                 In my best clothes
    Bm
The English are waiting
And I don t know what to do
In my best clothes
Bm
     G
                               Α
     This is when I need you
   Bm
The English are waiting
And I don t know what to do
In my best clothes
D
           Bm
           I m the new blue blood,
Α
                    D
I m the great white hope
              D
I m the new blue blood
 Bm
I won t fuck us over, I m Mr. November
I m Mr. November, I won t fuck us over
```

```
I wish that I believed in fate
I wish I didn t sleep so late
             G
                              D
    I used to be carried in the arms of cheerleaders
[repeat]
[Chorus]
          I m the new blue blood,
            D
I m the great white hope
Bm D A
I m the new blue blood
                       G
 Bm
I won t fuck us over, I m Mr. November
I m Mr. November, I won t fuck us over
[repeat]
I wish that I believed in fate
I wish I didn t sleep so late
             D
                              Е
    I used to be carried in the arms of cheerleaders
[repeat]
          I m the new blue blood,
I m the great white hope
Bm D A
I m the new blue blood
                       G
 Bm
I won t fuck us over, I m Mr. November
I m Mr. November, I won t fuck us over
[repeat]
