[Intro and Verse]

Am Am(2) Am Am(2) F C F C G

Verse 1

Standing at the punch table swallowing punch
canâ€™t pay attention to the sound of anyone
a little more stupid, a little more scared
every minute more unprepared

I made a mistake in my life today
everything I love gets lost in drawers
I want to start over, I want to be winning
way out of sync from the beginning

[Hook]

C

I wanna hurry home to you

F **Am Am(2) Am Am(2)**

Verse 2

Looking for somewhere to stand and stay
I leaned on the wall and the wall leaned away
Can I get a minute of not being nervous
and not thinking of my dick

My leg is sparkles, my leg is pins
I better get my shit together, better gather my shit in
You could drive a car through my head in five minutes
from one side of it to the other
