[Intro and Verse]

Verse 1

Standing at the punch table swallowing punch  
can't pay attention to the sound of anyone  
a little more stupid, a little more scared  
every minute more unprepared

I made a mistake in my life today  
everything I love gets lost in drawers  
I want to start over, I want to be winning  
way out of sync from the beginning

[Hook]

**C**

I wanna hurry home to you

**F** **Am Am(2) Am Am(2)**

put on a slow, dumb show for you

**G**

and crack you up

**C**

**F**

so you can put a blue ribbon on my brain

**Am Am(2) Am Am(2)**

god I'm very, very frightening

**G**

I'll overdo it

Verse 2

Looking for somewhere to stand and stay  
I leaned on the wall and the wall leaned away  
Can I get a minute of not being nervous  
and not thinking of my dick

My leg is sparkles, my leg is pins  
I better get my shit together, better gather my shit in  
You could drive a car through my head in five minutes  
from one side of it to the other
