A

She was five foot four

Getting money on tour

F

But her socks were at the end of my bed

A

Got our names tattooed on each other

F

Just to prove to each other

That we d do what we said

A

Only took a few days

Til our minds were made up

F

And we thought we should try it again

A

I was only 17 when we first tried things

F

When she first made me feel like a man
