

**Daddy Issues**  
**The Neighbourhood**

[Intro] **Am Em G**

**Am Em G**  
Take you like a drug

**Am Em G**  
I taste you on my tongue

**C Am**  
You ask me what I m thinking about

**Em**  
I told you that I m thinking about  
**G**

Whatever you re thinking about

**C Am**  
Tell me something that I ll forget

**Em**  
And you might have to tell me again  
**G**

It s crazy what you do for a friend

**Am**  
Go ahead and cry little girl

**Em**  
Nobody does it like you do  
**G**

I know how much it matters to you

I know that you got daddy issues

**Am**  
And if you were mine little girl

**Em**  
I d do whatever I could do  
**G**

I d run away and hide with you

I love that you got daddy issues, and I do too

**Em G**  
I try to write your name in the rain

But the rain never came

**Am**  
So I made with the sun

**Em G**  
The shade, always comes at the worst time

**C Am**
