[Verse 1]

**Bm Bm G F#**

I want a new yellow Ferrari from the 90 s in the driveway

**Bm Bm G F#**

But I know that you wouldn t like that

**Bm Bm G F#**

I want it now, I want it loud, I want it my way

**Bm Bm G F#**

But everybody doesnâ€™t vibe like that

[Chorus]

**G F# G**

Don t tell me about the rules and break them

**F#m**

And don t tell me about mistakes

**F# G A**

And make the same ones I have made before

**Bm**

Don t say you love me more

**G**

Better not say it

**F#**

I met her at church

**G**

But she could be Satan

You and I are two oceans apart

**Bm Bm G F# Bm Bm**

We re on earth to break each others hearts, in two

**G F#**

And it s hard, with you

**Bm Bm**

When I m too far from you

**G F#**

I look at the stars, do you?

[Chorus]

**G F# G**

Don t tell me about the rules and break them

**F#m**

And don t tell me about mistakes

**F# G A**

And make the same ones I have made before

**Bm**

Don't say you love me more

**G**

Better not say it

**F#**

I met her at church

**G**

But she could be Satan

[Interlude]

**Bm Bm G F#**

**Bm Bm G F#**

[Outro]

**Bm Bm G F#**

You're L.A. and I'm Newbury Park

**Bm Bm G F#**

But you're the flame I use when it gets dark

**G F#**

**G**

You've got enough pain for both of us

**F# G A**

I've got all these things I'm focused on

**Bm**

**G**

You treat all the rules like you're the queen

**F#m**

**Bm**

But you and I are few and far between
