```
F#m                    A
Patience, test my patience
      Bm                             D                    F#m        A
If I made it too hard for you maybe you should ve changed it
F#m                A
Say it, you should say it
          Bm                          D                      F#m     A
 Cause I d say I was wrong just to make it fill all the spaces.
F#m               A
Waiting, always waiting
      Bm                           D               F#m         A
If I gave you control would you say that we could saved it?

  F#m                      A
I hope you find a way to be yourself someday
    Bm
In weakness or in strength
D               F#m
Change can be amazing
      E                    Bm                      D
So I pray for the best, I pray for the best for you

  F#m                        A                          Bm   D
I wish you could be honest, I wish you could be honest with me
  F#m                        E                          Bm   D
I wish you could be honest, I wish you could be honest with me

F#m               A
Chasing, always chasing dreams
        Bm                       D
Why d you stick around, why d you stay with me?
        F#m       A
Why d you fake it?
    F#m                   A
Hesitation is killing me too
              Bm                     D
But I couldn t save it, I couldn t save it

  F#m                      A
I hope you find a way to be yourself someday
    Bm
In weakness or in strength
D               F#m
Change can be amazing
      E                    Bm                      D
So I pray for the best, I pray for the best for you
  F#m                      A
