

**Kill Us All**  
**The Neighbourhood**

[Intro]

**Dm G# Dm** x2

[Verse 1]

**Dm G#**  
Yo, I drop gems like a bad jewel thief, I m Kool Keith  
**Dm Cm**  
Dr. Octagon with a delivery from the Octomom  
**Dm G# Dm**  
The Unabomber with a unibrow, I stay connected  
**Cm**  
I make sure that the globe gets infected  
**Dm G#**  
Explosion, earthquakes, mudslides, erosion  
**Dm Cm**  
Global domination, I ma set it to a motion  
**Dm G# Dm**  
Emotion only for the weaker being, make sure that nobody see  
**Cm Dm**  
And show my intellect cause I m a evil genius  
**G# Dm**  
Futurama, I hope you re ready to fry  
**Cm**  
You expect me to talk, I expect you to die  
**Dm G#**  
I hang you out to dry from the washing machine  
**Dm Cm**  
It s like a movie critic way I m peeping the scene, son  
**Dm G# Dm**  
Said and done, when it s finished, my nigga, finito  
**Cm**  
When I go out, I go out with a pound of C4  
**Dm G# Dm**  
This for everybody out there tryna play a hero

[Chorus]

**Dm Dm G#**  
Yeah, it just might kill us all  
**Dm Dm G#**  
It just might kill us all (yeah)  
**Dm Dm G#**  
It just might kill us all (you know)  
**Dm Dm G#**  
It just might kill us all (yeah, yeah, uh)  
**Dm Dm G#**

It just might kill us all

[Verse 2]

**Dm G# Dm Cm**  
1:25 in the valley, treading on a heatwave

**Dm G# Dm Cm**  
I think we set the sky on fire, breathing in every day

**Dm G# Dm Cm**  
Before you rise like a phoenix, you gotta play Jean Grey

**Dm G# Dm**  
I just wanna flex, I don t wanna be another ex, yeah

**Dm G# Dm**  
Keep it all up in my head now, when I see red, it s a let down

**Dm G#**  
Always finding different ways to get down

**Dm G#**  
Whole wide world gone to shit now but I can t quit now

**Dm G# Cm**  
Never been the type to just sit down

**Dm G# Cm**  
And shut up, enemies tryna run up, homie, but I keep it all 100

**Dm G#**  
Minute that the sun up, I m thinking bout the money

[Chorus]

**Dm Dm G#**  
Yeah, it just might kill us all

**Dm Dm G#**  
It just might kill us all (yeah)

**Dm Dm G#**  
It just might kill us all (you know)

**Dm Dm G#**  
It just might kill us all (yeah, yeah, uh)

**Dm Dm G#**  
It just might kill us all
