Band: The Neighbourhood

Song: Leaving Tonight

[Verse 1]

**F** **Am** **F**  
you fooled me from the start  
**Am**  
when you let me start to love you  
**Dm** **E**  
it s like a bunch of broken picture frames but  
**Dm** **E**  
the photo still remains the same  
**Dm** **E**  
and i, i thought it would be easy to run

but my legs are broken

[Chorus]

**Am** **E** **C** **F** **Am** **E**  
oh no, oh we know, it s haunting me  
**C** **F** **Am**  
making it harder to breathe, harder to breathe  
**E** **C** **F** **Am**  
i m leaving tonight, i m leaving tonight, i m leaving tonight  
**E** **C**  
i m leaving tonight, i m leaving tonight  
**F**  
i ll be gone in the morning

[Verse 2]

**F** **Am** **F**  
i saw it from afar  
**Am**  
but my eyes have always fooled me  
**Dm** **E**  
it looked to me like all the sidewalks started walking  
**Dm** **E**  
i swear to god the voices wouldn t shut up  
**Dm** **E**

and i, i figured it all to be love

but this isn t lovely

[Chorus]

**Am E C F Am E**  
oh no, oh we know, it s haunting me  
**C F Am**  
making it harder to breathe, harder to breathe  
**E C F Am**  
i m leaving tonight, i m leaving tonight, i m leaving tonight  
**E C**  
i m leaving tonight, i m leaving tonight  
**F**  
i ll be gone in the morning

[Outro]

**Am E C F Am E**  
oh no, oh we know, it s haunting me  
**C F Am**
