All I am is a man

I want the world in my hands  
          **C**  
I hate the beach  
          **Am**          **Em**  
But I stand in California  
                  **G**  
with my toes in the sand  
                          **C**  
Use the sleeves on my sweater  
                  **Am**  
Let s have an adventure  
          **Em**                          **G**  
Head in the clouds but my gravity s centered  
          **C**                          **Am**  
Touch my neck and I ll touch yours  
          **Em**                          **G**  
You in those little high wasted shorts

One love, two mouths

One love, one house  
**C**  
No shirt, no blouse  
**Am**  
Just us, you find out  
**Em**                                  **G**  
Nothing that I wouldn t wanna tell you about, no  
          **C**          **Am**  
Cause it s too cold whoa

For you here

**C**

The goosebumps start to race

**Am**

The minute that my left hand meets your waist

**Em**

And then I watched your face

Put my finger on your tongue

**G**

Cause you love to taste yeah

**C**

These hearts adore

Everyone the other beats hardest for

Inside this place is warm

**G**

Outside it starts to pour

[Chorus]

**C**

Coming down

**Am**

One love, two mouths

**Em**

One love, one house

No shirt, no blouse

Just us, you find out

Nothing that I wouldn't wanna tell you about,

No No No!

**C      Am**

Cause it's too cold whoa

For you here

Both your hands in the holes of my sweater
