[Verse 2]
He told me, I should take it in
Listen to every word he s speaking
The wires getting older
I can hear it in the way they re creaking as their holding him.
I could see it in his jaw that all he ever wanted was a job
He tells me to be raw, admits to every little flaw
that never let him sit at the toop,
Won t tell me to stop
Thinks that I should be a little cautious,
I can tell the wires were pulled
[Chorus]
                                     E7
                             Am

and all that he invested in, goes

But he tells me that I m dreaming,
When he talks i hear his ghosts
Every word they say to me,
