[Verse 2]

He told me, I should take it in
Listen to every word he s speaking
The wires getting older
I can hear it in the way they re creaking as their holding him.

I could see it in his jaw that all he ever wanted was a job
He tells me to be raw, admits to every little flaw
that never let him sit at the toop,
Won t tell me to stop
Thinks that I should be a little cautious,
I can tell the wires were pulled
