

I Am Redeemed
The Neverclaim

I am redeemed

C#	G#	Eb	Fm
Kiss your feet, kiss your feet, as brokenness runs down my cheek			
C#	G#	Eb	Fm
may these tears be a sweet offering to you.			
C#	G#	Eb	Fm
Incomplete, so incomplete, yet declarations over me,			
C#	G#	Eb	Fm
from the eternal son, redeemed, redeemed, redeemed.			

C#	G#	Eb	Fm
In my darkness you hold me close and you promise me you never			

let go

C#	G#	Eb	Fm
my heart burns for you, oh, i am redeemed, i am redeemed			

C#	G#	Eb	Fm
I receive, I receive, redemptive work done deep in me			
C#	G#	Eb	Fm
until this heart is fully given onto you			

C#	G#	Eb	Fm
so please proceed, please proceed, your kingdom raining over			
C#	G#	Eb	Fm
me, because who I am right now is not who Iâ€™ll fully be.
