

I Am Redeemed
The Neverclaim

I am redeemed

D **A** **E** **F#m**
Kiss your feet, kiss your feet, as brokenness runs down my cheek

D **A** **E** **F#m**
may these tears be a sweet offering to you.

D **A** **E** **F#m**
Incomplete, so incomplete, yet declarations over me,

D **A** **E** **F#m**
from the eternal son, redeemed, redeemed, redeemed.

D **A** **E** **F#m**
In my darkness you hold me close and you promise me you never

let go

D **A** **E** **F#m**
my heart burns for you, oh, i am redeemed, i am redeemed

D **A** **E** **F#m**
I receive, I receive, redemptive work done deep in me

D **A** **E** **F#m**
until this heart is fully given onto you

D **A** **E** **F#m**
so please proceed, please proceed, your kingdom raining over

D **A** **E** **F#m**
me, because who I am right now is not who Iâ€™ll fully be.
