

Exs Ohs

The New Amsterdams

Great song from the New Ams. Quite a lazy tab I m afraid... busy as hell... but it s a start. Chords should all be right and the rhythm s easy to pick up if you listen to the song. The rest of the song continues in the same way. Nice song to play though.

[Intro]

**Am C F C**

[Verse]

**Am C**

Got a faded photograph

**F C**

Burned at one edge... etc

[Chorus]

**Am C G**

Tell me what you want your family and friends to think

**Am F**

We can t pretend

**Am F**

We can be friends

**Am F C Am**

To make amends with the end

[Outro]

**F G C**
