

**Four More Years**  
**The New Amsterdams**

**D**

Are you open, to open arms?

**D**

Misdirection does little harm

**G** **Em**

I won't ask, you won't tell

**D**

Just come around

**D**

Missed discussions of virtues and

**D**

Complications with cash in hand

**G** **Em**

I won't ask, you won't tell

**D**

Just come around

**G** **Em**

My angel flies

**D** **G**

Carries all my fears

**Em** **A**

Angel don't die

**D**

For four more years

**D**

Are you waiting for me to say

**D**

That I made all the same mistakes

**G** **Em**

I won't ask, you won't tell

**D**

Just come around

**G** **Em**

My angel flies

**D** **G**

Carries all my fears

**Em** **A**

Angel don't die

**D**

For four more years
