The New Pornographers - All For Swinging You Around
From: Electric Version (2003)

Thanks to all who have put up NP tabs. I felt like
I should give something back. Feel free to email
me any corrections (bworlow@yahoo.com).

The **E(VII)** may not be exactly right, but it sounds
approximately correct if played as X755XX. I usually
play the **B**-chord that follows the **E(VII)** back down at
the 2nd fret.

Intro

```
F#    G#      B       C#

F#    G#      B       C#

F#     G#       B       C#
```
Exploding international, the scenes, the sounds,

```
 F#       G#       B        C#
```
And famously the feeling that you can t squeeze round,

```
 E(VII)       B      F#       C#
```
While tearing off another page of loose change outrage.

```
E(I)  B    F#      C#
```
It s another perfect day until the night shows.

```
F#    G#         B        C#
```
Exploding international, the wind did howl.

```
   F#        G#            B        C#
```
The sky above was thick with rings of smoke and clouds,

```
 E(VII)        B      F#          C#
```
And hanging on the bleeding end of conscious, who s this?

```
E(I)          B      F# C#     G#      B
```
Was there anything I missed, as far as you know? As far as you know?

```
      C# F#            B      C#
```
Was it all for swinging you around?

```
      C# F#            B      C#
```
Was it all for swinging you around?

[Repeat Intro]

```
    F#    G#         B      C#
Exploding international, the sun, the sights,

      F#       G#      B       C#
The moments you are viewing through a beam of light,

   E(VII)    B   F#         C#
Propel you through the golden age. We crash-land the first page

E(I)        B   F#        C#        G#         B
On a crumbling world stage, into the front rows, into the front rows.

C#     F#          B      C#
All for swinging you around.

C#     F#          B      C#
All for swinging you around.
```

Bridge

```
G#m    F#        B
G#m    F#        B

     G#m      F#       B
And off your feet, all the love you found, spinning  round.

     G#m      F#       B
And off your feet, all the love you found, spinning  round.

     G#m      F#       B
And off your feet, all the love you found, spinning  round.

F#                 C#   E(I)    F#    B
Spinning  round, spinning  round.

 F#       G#        B           C#
We re twisting incognito with no time, can t talk,

 F#       G#        B           C#
Can t tell if this is fantasy or culture shock,

 E(VII)        B     F#        C#
Or remnants of a golden age that s near mint unplayed,

E(I)        B   F#        C#          G#            B
Or a welcome overstayed beneath the lightshow, beneath the lightshow.

C#     F#            B      C#
All for swinging you around.(x6)
