Verse 1 (palm muted)

F C E D G C
The angel cries you bastard as we analyze the accent, so look out, you
D F C E D G
rock n rollers over forty million served and thats a record for the master,
C D
stood forever after..

Chorus 1

F C F

So are we, are we, are we, are we facing.. the end of all, of all the drugs

C

we re lacing?

Verse 2

F **C** **E** **D** **G** **C**
 With common sense and courtesy and other things we thought would be the end of
D **F** **C** **E** **D** **G**
 us, but now they wont allow us our intentions. Oh, the mother of invention,
C **D**
 its her pleasure to repeat with feeling..

Chorus 2

F **C** **F** **C**

Are we, are we, are we, are we facing the end of all the medicine were taking?

Interlude F G (just pluck the base note once for each) (x 2)

Verse 3

(no chords) (guitar comes back) C

Somewhere in this system there s an open ended list of all the lies we tell

D F C E D G

unblinking thinking, What could we be living? Is it life or is it even in the

C D F C E D

realm of possibility? You see it when you re missing who came to see.

G C D

Is this thing even on and on and on..?

*Repeat chorus 2 (x2)
