

**Night Falls**  
**The Nightwatchman**

Artist: The Nightwatchman  
Song: Night Falls  
Album: The Fabled City

Capo 1

**F#m B E A**

**A D** x2

**A**                      **D**                      **A**  
She warned him, warned not to go  
                         **D**                      **A**  
He said I, I ve got to go  
                         **D**                      **A**  
She whispered I, I love you so  
                         **D**  
He said I, I ve got to go

Chorus:

**F#m**                      **B**                      **A**  
Night falls on the river valley  
**F#m**                      **B**                      **E**  
Night falls on the mines and fields  
**F#m**                      **B**                      **A**  
Night falls on the just and unjust  
**A**                      **D**  
Night falls

**A**    **D**  
And the next time there s trouble needs straightenin out  
**A**    **D**  
There s dynamite under the porch  
**A**    **B**  
Me and my four kids are hungry  
**A**  
Man s yellin through the screen door

Chorus

**A**                      **D**  
All they can, in the morning  
**A**    **D**  
Shoulder to shoulder, end to end  
**A**                      **B**

You don't have to speak

**A** **D**

You just have to stand

**A** **D**

Steve Sutton died there on the bridge

**A** **D**

Local three ninety three was born

**A** **B**

A black and white picture of the color of the lord

**A**

The dam is broken the river comes

Chorus

**A** **D** **A**

She warned him, warned not to go

**D** **A**

He said I, I've got to go

**D** **A**

She whispered I, I love you so

**D**

Night falls,

**A** **D**

Night falls

**A D A/C# D x3**

**A**
